### ***To our valued charter customers...***

Be a careful shopper when you are selecting transportation for the most precious cargo in the world. Klein Transportation is an approved carrier by the Pennsylvania Public Utilities Commission and the Federal Department of Transportation. Klein's also received the top rating from Consolidated Safety Services, an independent auditing firm used by the Department of Defense.

The experienced professional travel planners at Klein's will save you time and money. We will help you select a date that will save you money. Please enjoy selecting the trip that best fits the interest of your group! If you prefer to customize your itinerary our salespeople will help you create a trip specifically for your group.

**Price must not be the only reason for selecting a company.** While the price of a trip is important, good safety practices are more important. Log on to [www.Safersys.org](http://www.Safersys.org) where you can check with the US Dept of Transportation for a carrier's safety record. Please feel free to call Klein's for assistance in interpreting the statistics.
